10" SmartGrip Water Pump Pliers

These high-performance pliers from Knipex offer automatic one-hand adjustment, a self-locking grip, and a slim build for easy access in confined spaces. Forged from chrome vanadium steel with hardened teeth and a box-joint design, they provide durable, secure gripping for long-lasting performance. The integrated pinch guard protects the user while turning pipes, fittings, & nuts.

#10118

Bemis Toilet Seat w/ Sta-Tite Check Hinges

This heavy-duty elongated open front seat is ideal for any commercial application. Made from durable plastic, the seat resists chips, wears, and stains. The Stay·Tite Commercial Fastening System™ cuts installation time by one third and prevents toilet seat loosening. pg. 6-13

- Commercial-grade, heavy-duty plastic
- Check hinges prevent the seat from going 11° beyond vertical
- 300-series stainless steel posts and pintles resist corrosion
- Color-matched bumpers and hinges
- Fits most manufacturers' elongated toilets
- Made with eco-friendly materials and processes
