Description

Scope of Bid

AEPA is seeking qualified, experienced contractor(s) who possess the necessary resources and capabilities to acquire, deliver and perform the required supplies, materials equipment and labor to all participating member states (up to 29) in the category ofÂ Digital Resources & Instructional Materials.

1. Respond to requests from a number of different types of educational, governmental and public institutions seeking_ Digital Resources & Instructional Materials.
2. These parts and supplies will include but are not limited to:_ Library resources for purposes of information literacy, automation, and access to reference materials and eBooks; licensing of digital & print textbooks and supporting materials; access to online professional development & training resources through video, audio, and other formats.
3. Types of services may include, but are not limited to _Digital/Print Instructional/Classroom Content and materials (Multimedia/Video content, Courseware/online lessons, Game-Based Learning, Virtual simulations),Â Library/Media Resources/Materials & Automation software, Digital/Print Textbooks and materials, Online Professional Development & Training Resources and Curriculum support materials, and Assessment tools.

All products offered must be considered new, unused, of the latest design and technology and fromÂ the most current and popular product lines available.

AEPA and Member Agencies prefer a single vendor with a comprehensive array of products. However, because of the unique nature of Digital Resources & Instructional Material products, Member Agencies may consider multiple awards, if the lowest, best-value bids come from Bidders whose business concentrates on subset of categories, such as:

1. Instructional/Classroom Content
2. Library/Media Resources & Automation
3. Digital/Print Textbooks
4. Online Professional Development & Training Resources
