# Our Focus Your Solution

For Clean, Safe, Healthy Learning Environments

We understand providing clean, safe, healthy learning environments is more than just buying cleaning supplies and equipment. It's about people and process. It's about providing the right systems, training, and motivation that elevates your staff to deliver exceptional results. Results that enhance learning environments.

### About Hillyard

Hillyard is a privately owned manufacturer and distributor of cleaning and hygiene products located in St. Joseph, MO. Founded in 1907 by Newton S. Hillyard, the company is committed to helping schools systems improve outcomes, lower cleaning costs and deliver results that ensure clean, safe, healthy learning environments.
