Restroom Stall Block-Aide

Device slides over the stationary stall front panel and the moving door panel. As a result, it locks the door closed from all patrons until repair can be completed.
3" x 1.5" x 4.5"

Magnetic Banners

An innovative way to temporarily close off a room or space, this door barricade prevents patrons from walking through an opened doorway, so staff can stay hard at work. The banners are light-weight, easy to use and connect in seconds. Exceptionally strong magnets are integrated at each end, so there is no twisting, pulling, or stretching involved.

- Fabricated with durable, rot-resistant nylon 4 materials
- Conforms to OSHA standards
