

sys CLOUD + esucc Cooperative Purchasing

SysCloud, in **PARTNERSHIP** WITH ESUCC**,** will be providing air gapped Google Workspace and Office 365 **backup solutions** at a discounted price for all members of the cooperative.

By backing up with SysCloud, we help you stay compliant with your district policies and insurance requirements.
You never have to worry about ransomware if all of your data is always backed up in separate cloud servers **(AWS).**

Please email **jake@syscloud.com** in order to set up a time for a demo.
