Bemis Toilet Seat w/ Sta-Tite Check Hinges

This heavy-duty elongated open front seat is ideal for any commercial application. Made from durable plastic, the seat resists chips, wears, and stains. The Stay-Tite Commercial Fastening System™ cuts installation time by one third and prevents toilet seat loosening. **pg. 6-13**

- Commercial-grade, heavy-duty plastic
- Check hinges prevent the seat from going 11° beyond vertical
- 300-series stainless steel posts and pintles resist corrosion
- Color-matched bumpers and hinges
- Fits most manufacturers' elongated toilets
- Made with eco-friendly materials and processes
