Tool Time Red Vinyl Caulk Caps #61636

These flexible, reusable caps are the best way to store caulking tubes to ensure the long life of the product. They prevent clogged caulking nozzles by keeping moisture and solvents in and air out without the need for any messy pins or plugs.

- Contains 75 Caps
- Thick, flexible vinyl
- Caps grip snugly to nozzle.

Spyder 10pc Stinger Mach-Blue Drill and Drive Set #41061

These high-performance metal and wood drilling bits provide exceptional quality, durability, and performance. The Mach-Blue Armor Plating combined with the advanced M-series alloy tool steel construction and proprietary heat treatment make these bits truly revolutionary. They retain sharper cutting edges for longer, have reduced heat build-up and cutting friction, and increased durability, rigidity, and breakage resistance.

- Ideal for drilling through wood with nails, stainless steel, mild steel, aluminum, stacked materials, and other tough-to-drill alloys.
- Impact-rated 1/4" speed hex won't slip in conventional 3-jaw chucks and are ideal for use in quick-change power tools.
- Optimized 137° self-centering split point cutting geometry won't walk or wander – even on pre-hardened or curved surfaces.
- Made in the USA
