# Who We Are

**EverDriven is the nation's most trusted provider of innovative, safe student transportation, and optimization solutions for school districts nationwide.**

We enhance and supplement your school district's existing transportation model by:

- Utilizing small-capacity vehicles and equipment to meet each student's unique needs
- Scaling with your district's transportation demands
- Performing transportation program analysis
- Offering a comprehensive solution to all routing and optimization challenges

We do this because we believe all children deserve an education and getting to school, safely, is the first step.
