

# kajeet. Connected Communities

Unlimited data plans as low as \$8.50 per device/month

**Kajeet Connected Communities** is a new digital equity program designed to help **schools, libraries and nonprofit organizations** with affordable, managed internet access as traditional funding options continue to shrink.

Through this program we are able offer schools, libraries, and nonprofits with discounted data plans, flexible billing options, and no overage fees.

## A Complete Wi-Fi Hotspot Solution

- 4G LTE or 5G Kajeet SmartSpot® hotspot device
- Unlimited Data Plan (as low as \$8.50\*/month)
- Carrying case, charger, and quick start guide
- Optional CIPA-compliant filters for student use
- Dedicated lifetime program support

## Easy Device and Data Management

- Remotely activate/de-activate hotspots
- Real-time data usage insights
- Alerts to stay ahead of usage anomalies
- Media center for hotspot check-in/check-out
- Automated reports for proof of program performance
