Phonemic Awareness

1

Our lessons provide the critical building blocks of early literacy, helping young learners hear, identify, and manipulate sounds with confidence and joy.

Phonics

Each book features 90% decodable text and 20% targeted phonics instruction, supported by research-based video phonics lessons available in 14+ languages.

2

Fluency

3

As students reread, they strengthen fluency and mark their achievement by coloring a High Five! on the back cover—encouraging repeated practice and celebrating success.

4

Vocabulary

To help students expand their language and comprehension skills, each book introduces rich, new vocabulary.

Comprehension

Each book and lesson plan includes discussion and written-response questions designed to check for understanding and promote deeper thinking.

5

BONUS

Reading + Writing Connection

Each lesson integrates both decoding and encoding practice so students consistently connect sounds to print and apply phonics skills in reading and writing.

“

If you are looking for decodable texts to support a well-articulated scope and sequence of phonics instruction, **look no further!** Just Right Reader Decodables are clearly designed to support explicit, systematic phonics instruction.

Lesson from a Real Teacher in 14+ Languages

Palabras con las letras C (fuerte) y G

Lesson Plan

Learning Objective

Students will identify and read words with the letters **C** (hard) and **Q**, both with the hard /k/ sound.

- Copy of *Coqui tiene tos* for each student
- Elkonin boxes
- Spanish letter tiles
- Whiteboards and markers
- Index cards
- Reading Observation Form
- Prompting Guide
- Paper and pencil for writing activities

Key Skills

Phonics focus: Decoding the letter **Q** and hard letter **C**. The letter **Q** has the hard sound /k/. The letter **C** also has the hard sound /k/ when it is followed by vowels **A, O,** and **U**.

The image displays a collection of educational resources. At the top left is a "Teacher's Edition" book cover showing a teacher and students in a classroom. To its right is a large yellow circular seal that reads "EVIDENCE-BASED ESSA MODERATE LXP RESEARCH PRODUCT". Below these are several overlapping story cards from the "Just Right Reader" series. Each card features a colorful illustration and a small yellow banner with the "Just Right Reader" logo. The stories depicted include: a student jumping over a hurdle, a cartoon character running, a girl reading a book, a boy playing a board game, a girl sitting at a desk with a sign that says "No Frisbees Inside!", a boy playing a guitar, a girl sitting by a campfire, and a boy playing a board game. The background is a light green gradient.
