MILWAUKEE PENCIL REAMER

#88055

The Milwaukee® Reaming Pen provides easy deburring of copper tubing and PVC. The tool is constructed with an all-metal design for durability through demanding jobsite use. The blade is heat treated and black oxide coated for extended life. A slide resistant clip allows easy storage in the user's pocket or tool bag for quick access.

MILWAUKEE STUBBY RATCHETS

#88056 - 3/8" Drive, 5" Ratchet

#88057 - 1/4" Drive, 3" Ratchet

These ratchets feature a slim-profile head and flush directional lever combined with the stubby handle length, allowing access to work in tighter spaces. They offer 4° of arc swing for increased accessibility. The all-chrome finish makes these ratchets easy to clean.
