NEW ARRIVALS

Adjustable Zipz Eyewear Retainer

Durable, lightweight, and comfortable. The stainless-steel cable provides the strength needed for demanding environments with the adjustability to be worn extended for length or zipped and snug. Designed to prevent any excess cable from hanging in the back. 14" in length, waterproof, and universal ends to fit most eyewear.

#63001

Silicone Eyewear Retainer

Made from 100% high-quality silicone, these retainers offer a flexible and durable solution for keeping your glasses secure in any situation. Adjustable to ensure comfort with no absorption of sweat, moisture, odors, or grime. Universal ends fit most eyewear and are waterproof for maximum convenience.

#63002

Omni Guard Urinal Cleaner

OmniGuard is a complete urinal cleaner, descaler, and deodorizer. Removes years of uric scale buildup in pipes and prevents new buildup from forming. This product fits most urinals by simply mounting directly into the water spout holes in the urinal.

- 4,015 flushes per unit
- 100% recyclable materials
