Legal Notices
NOTICE OF PUBLIC COMMENT REGARDING PROPOSED REPLACEMENT OF THE UPPER ROBERT STREET RAILROAD LIFT BRIDGE AT MILE POST 523 OVER THE MISSISSIPPI RIVER:

The Union Pacific Railroad (UPRR) has proposed replacing the Robert Street Railroad Lift Bridge, which spans the Mississippi River between the Robert Street North bridge and the Waabasha Street South bridge on the south side of Minneapolis, St. Paul, Minnesota. The bridge was historically known as the Chicago and Western North River Bridge. The removal and replacement of the Robert Street Railroad Lift Bridge qualifies as an undertaking under the National Historic Preservation Act (NHPA) (54 U.S.C. Section 300101 et seq.) because it requires federal permits and approval. The U.S. Coast Guard, as the lead federal agency for Section 106, has determined the bridge eligible for listing in the National Register of Historic Places. Because the UPRR is a historic property, the USCG has found that replacing it would be an adverse effect under the NHPA. The USCG is continuing consultation with interested parties under Section 106. However, the USCG acknowledges that the views of the public are essential to informed federal decision-making. In compliance with 36 Code of Federal Regulations 800.6, the USCG is providing this opportunity for members of the public to express their views on resolving adverse effects of the undertaking. Public comments or requests for further information, including requests for copies of the draft environmental impact statement, the Draft Record of Decision, and the Draft Record of Decision Supplement, can be sent to: Commanding Officer, Robert Street Railroad Bridge, 1222 Spruce Street, Minneapolis, MN 55402-3833, or via email to Peter Samboir@uscg.mil. Comments are due no later than close of business on Thursday, February 6, 2025.

Yes. We will evaluate your submission if you meet specifications in Part D under either 'Connectivity - Cellular [Major Carrier]' or 'Connectivity - Cellular [Multi-Carrier]'

#4 - Device bundle plans

Leider Enterprises Inc DBA Connect Distributors, Jan 29, 2025 2:30 PM EST, Not Public - Pending

Hi

Under Connectivity - Cellular [Major Carrier] - Should we include plan rates that are only applicable as a bundle when purchased with a piece of hardware which may have discounted costs.

or should we only include strictly data plans, as this bid is strictly for Cellular connectivity solutions, and no hardware will be purchased.

Steve Griggs, Jan 29, 2025 4:45 PM EST, Public - Answered

We are looking for plan rates bundled and unbundled with devices.

Please refer to the sections below, and the language in those sections, listed in the Part A Specifications document:

6.1.4 Cell phone and communication device solutions.

6.1.6 The Vendor shall indicate if additional service options are available (This may include bundled and/or unbundled service)

6.1.7 The Vendor may provide and build bundles of product/service based on Participating Entities'

needs. All bundles must be clearly defined and priced by components included in the said bundle.

In addition, the Cellular [Major Carrier] subcategory should also provide the specifications 6.2.1 through 6.2.9.

Part E – Signature Forms

AEPA 025.5-D

Mobile & Cellular Connectivity Solutions

Instructions

Contained herein are forms that **require a signature** from an authorized person at your company. All items found within this document are **mandatory**. Failure to sign the required areas, sections, or signature lines may lead AEPA to consider your company's proposal as **non-responsive**.

To submit the required signed forms, follow these steps:

1. Read the documents in their entirety.
2. Complete all forms and sign when required.
3. Return the forms and pages in their correct order and scan one (1) single PDF format titled “Part E – Signature Forms – Name of Responding Company” (i.e. one PDF document for all signature forms).
4. Submit Part E, along with other required documents in Bonfire.

*Note, a solicitation checklist has been provided to review with your submission.

The following sections will need to be completed prior to submission as **one (1), single PDF** titled “Part E – Signature Forms – Name of Responding Company”.

Uniform Guidance “EDGAR” Certification Form – *signature required

Solicitation Affidavit – *signature required

Acceptance of Solicitation & Contract – *signature required

Uniform Guidance “EDGAR” Certification Form

2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the “Uniform Guidance” or new “EDGAR”. All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent’s willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent’s authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A “No” response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA’s terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA’s terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of \$10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent’s return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency’s purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency’s purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency’s provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR Part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, Respondent agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of \$2,000, Respondent shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, Respondent is required to pay wages

to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

Respondent further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Respondent agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, Respondent is required to compute the wages of every mechanic and laborer based on a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of the 40 U.S.C. 3704 applies to construction work and provides that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, Respondent agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Respondent certifies that the Respondent is not currently listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the Respondent if Respondent is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under state statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352), Respondents that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

10. Procurement of Recovered Materials

For participating agency purchases utilizing Federal funds, Respondent agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of \$150,000, a participating agency may be required to negotiate profit as a separate element of the price. See 2 CFR 200.323(b). When required by a participating agency, Respondent agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, Respondent agrees that the total price, including profit, charged by the Respondent to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the Respondent's contract with AEPA.

12. General Compliance with Participating Agencies

In addition to the foregoing specific requirements, Respondent agrees, in accepting any purchase order from a participating agency, it shall make a good faith effort to work with a participating agency to provide such information and to satisfy requirements as may apply to a particular purchase or purchases including, but not limited to, applicable record keeping and record retention requirements as noted in the Federal Acquisition Regulation, FAR 4.703(a).

13. Governing Law; Forum Selection.

Respondent acknowledges and agrees that any legal action or proceeding in which the Association of Educational Purchasing Agencies, Inc. ("AEPA"), is a party, that in any way relates to this solicitation, any contract award or the services provided thereunder, any other document executed in connection herewith, or for recognition and enforcement of any judgment in respect hereof brought by Respondent, a participating agency, or other party hereto, or its successors or assigns, will be governed by, construed and interpreted by the laws of the Commonwealth of Kentucky, and must be brought and determined in the state courts of the Commonwealth of Kentucky in Warren County, Kentucky, or the United States Western District of Kentucky (and may not be brought or determined in any other forum or jurisdiction), and each party hereto submits with regard to any action or proceeding for itself and in respect of its property, generally and unconditionally, to the sole and exclusive jurisdiction of the aforesaid courts and waives any further objection.

Respondent further acknowledges and agrees that any legal action or proceeding in which a party includes a participating agency, but does not include AEPA as a party, that in any way relates to this solicitation, any contract award or the services provided thereunder, any other document executed in connection herewith, or for recognition and enforcement of any judgment in respect hereof brought by Respondent, a participating agency, or other party hereto, or its successors or assigns, will be governed by, construed and interpreted by the laws of the state in which the participating agency is domiciled, and must be brought and determined in the state in which the participating agency is domiciled (and may not be brought or determined in any other forum or jurisdiction), and each party hereto submits with regard to any action or proceeding for itself and in respect of its property, generally and unconditionally, to the sole and exclusive jurisdiction of the aforesaid courts and waives any further objection.

By initialing the table (1-13) and signing below, I certify that the information in this form is true, complete and accurate and I am authorized by my business to make this certification and all consents and agreements contained herein.

Instructions: This form must be signed by the business's authorized representative and notarized below. If awarded, the Respondent is required to produce a copy of this document for each Member Agency with which it contracts.

1. The undersigned, is duly authorized to represent the persons, business and corporations joining and participating in the submission of the foregoing bid (such persons, business and corporations hereinafter being referred to as the Respondent), being duly sworn, on his/her oath, states that to the best of his/her belief and knowledge no person, business or corporation, nor any person duly representing the same joining and participating in the submission of the foregoing bid, has directly or indirectly entered into any agreement or arrangement with any other Respondents, or with any official of the **Member Agency**, or any employee thereof, or any person, business or corporation under contract with the **Member Agency** whereby the Respondent, in order to induce the acceptance of the foregoing bid by the **Member Agency**, has paid, or is to pay to any other Respondent, or to any of the aforementioned persons, anything of value whatever, and that the Respondent has not, directly nor indirectly entered into any arrangement, or agreement, with any other Respondent or Respondents which tends to or does lessen or destroy free competition in the letting of the contract sought for by the foregoing bid.
2. This is to certify that the Respondent, or any person on his/her behalf, has not agreed, connived, or colluded to produce a deceptive show of competition in the manner of the bidding, or award of the referenced contract.
3. This is to certify that neither I, nor to the best of my knowledge, information and belief, the Respondent, nor any officer, director, partner, member or associate of the Respondent, nor any of its employees directly involved in obtaining contracts with the **Member Agency**, or any subdivision of the state has been convicted of false pretenses, attempted false pretenses, or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985.
4. PURCHASING AGENCIES

Acceptance of Solicitation & Contract

Instructions: PART I of this form is to be completed by the Respondent and signed by its Authorized Representative. PART II will be completed by the AEPA Member Agency only upon the occasion of the bid award. If approved by AEPA, the Respondent is required to produce a copy of the document for each of the AEPA Member Agency with which it contracts.

PART I: RESPONDENT

In compliance with the Published Solicitation (IFB OR RFP), the undersigned warrants that I/we have examined all Instructions to Respondents, associated documents, and being familiar with all of the conditions of the solicitation, hereby offer and agree to furnish all labor, materials, supplies, and equipment incurred in compliance with all terms, conditions, specifications, and amendments associated with this IFB OR RFP and any written exceptions to the bid. The signature also certifies understanding and compliance with the certification requirements of the AEPA Member Agency's Terms and Conditions and/or Special Terms and Conditions. The undersigned understands that their competence, ability, capacity and obligations to offer and provide the proposed tangible personal property, professional services, construction services, and other services on behalf of the Vendor Partner as well as other factors of interest to the AEPA Member Agency as stated in the evaluation section, will be a consideration in making the award.

PART II: AWARDING MEMBER AGENCY

Your bid response for the above-identified bid is hereby accepted. As a Vendor Partner, you are now bound to offer and provide the products and services identified within this solicitation, your response, and approved by AEPA, including all terms, conditions, specifications, exceptions, and amendments. As a Vendor Partner, you are hereby not to commence any billable work or provide any products or services under this contract until an executed purchase order is received from the AEPA Member Agency or Participating Entities. This contract intends to constitute the final and complete agreement between the AEPA Member Agency and Vendor Partner, and no other agreements, oral or otherwise, regarding the subject matter of this contract, shall bind any of the parties hereto. No change or modification of this contract shall be valid unless in writing and signed by both parties to this contract. If any provision of this contract is deemed invalid or illegal by any appropriate court of law, the remainder of this contract shall not be affected thereby. The initial term of this contract shall be for up to fifteen (15) months and will commence on the date indicated below and continue until February 28, 2026 unless terminated, canceled, or extended. By mutual written agreement the contract may be extended for three (3) additional 12-month periods after this initial contract term. In the event the AEPA Board does not recommend renewal of the contract, or the contract expires, it may be extended for up to six (6) months by an AEPA state.

AEPA Bid Review Committee

Association of Educational Purchasing Agencies (AEPA)

Subject: Proposal Submission for AEPA Mobile Cellular Connectivity Solutions – Major Carrier Option

Dear AEPA Bid Review Committee,

On behalf of **Connect Distributors and Hoop Wireless**, we are pleased to submit our proposal for the **Mobile Cellular Connectivity Solutions – Major Carrier Option** under AEPA RFP #025.5-D. Our team has **deep expertise in mobile connectivity, distribution, and public sector procurement**, and we believe we are uniquely positioned to provide **scalable, cost-effective, and adaptable solutions to AEPA agencies**.

As both a **leading mobile device distributor** and the parent company of **Hoop Wireless**, a **registered MVNO**, we offer a **full-service approach that combines hardware, connectivity, and customized agency support**. Our **direct relationships with major brands and service providers** give us the ability to deliver a **level of service, pricing, and flexibility that exceeds what traditional mobile carriers provide**.

Why Connect Distributors & Hoop Wireless Are the Right Fit for AEPA

1. Proven National Performance in Public Sector Initiatives

We have **extensive experience managing large-scale federal and state-funded connectivity programs**, ensuring schools, government agencies, and underserved communities receive **reliable and affordable mobile connectivity solutions**.

Emergency Connectivity Fund (ECF)

- **Instrumental in equipping schools across the U.S.** with devices and data services under the ECF program.
- Recognized that many schools faced **cash flow constraints** while waiting for federal reimbursements.
- Provided **flexible credit terms**, ensuring they could secure devices **without financial strain** or service interruptions.

Affordable Connectivity Program (ACP)

- Through **Hoop Wireless**, we have **bridged the digital divide** by delivering **low-cost internet and mobile connectivity** to underserved households.
- **Partnered with landlords and housing providers** to increase ACP awareness and expand internet access.
- **Trusted provider for the NYC Department of Education**, listed on the **NYC DOE Free and Low-Cost Internet Options** website.

These programs demonstrate our ability to **navigate federal funding structures**, handle **large-scale service deployments**, and **financially support public sector clients**—all key to executing the AEPA contract effectively.

2. Financial Strength & Stability

As a company deeply engaged in federal funding initiatives, we have established **strong financial stability and credit flexibility**.

- We have successfully managed **multi-million-dollar contracts** without reliance on upfront payments.
- Our **innovative financing model** has allowed schools to **procure essential technology without financial burden**.
- Our ability to **offer extended credit terms** demonstrates our **financial capacity to support AEPA agencies** in meeting their connectivity goals.

3. Comprehensive Mobile Connectivity & Device Solutions

AEPA agencies need more than just data plans—they require **reliable, cost-effective connectivity paired with the right technology solutions**. Through Connect Distributors, we provide:

- ✓ **High-speed, nationwide 5G and LTE mobile connectivity** via major carrier networks.
- ✓ **Exclusive product and service bundles** that combine **wireless plans with mobile devices**, creating cost savings and efficiency.
- ✓ **Scalable solutions for schools, government agencies, and nonprofits**, including **hotspots, failover internet, and private network connectivity**.

By integrating both **network services and hardware distribution**, we ensure agencies can access **affordable, reliable mobile solutions with a single trusted vendor**.

4. A More Adaptable, Hands-On Partner

Unlike larger, bureaucratic telecom companies, we are **built for flexibility**. Our CEO, **Chesky Leider**, is **directly involved in daily operations**, ensuring **swift decision-making, custom solutions, and hands-on support**.

✓ We **adapt quickly** to each agency's specific needs, **customizing pricing, plans, and support structures**.

✓ Our **dedicated account representatives** provide **direct, personalized service**, ensuring agencies have a reliable point of contact for all contract needs.

✓ Our **small but highly connected structure** allows us to make decisions **faster and more efficiently than traditional carriers**.

This **agility and responsiveness** set us apart, making us an **ideal partner for AEPA agencies looking for a more tailored approach**.

5. A Strategic Alternative to Traditional Carriers (MNOs)

While **Mobile Network Operators (MNOs)** own and operate network infrastructure, they often lack the **flexibility and responsiveness needed by public sector agencies**. As an **MVNO with extensive industry relationships**, we offer several advantages over traditional carriers:

✓ **More Service Flexibility** – Unlike MNOs, who lock customers into rigid pricing models and service agreements, we offer **customized pricing structures, volume discounts, and month-to-month options** that align with AEPA agency needs.

✓ **Better Product & Hardware Access** – With our **deep distribution expertise and direct relationships with manufacturers**, we provide **special pricing on mobile devices, hotspots, and product bundles**, which traditional carriers do not.

✓ **Tailored Support & Adaptability** – Large MNOs operate through a standardized approach, whereas we provide **agency-specific solutions, quick adaptations, and personalized customer service**.

By leveraging our **MVNO model with strong carrier partnerships**, AEPA agencies receive **the same high-quality network service as traditional carriers while benefiting from superior flexibility, customization, and cost savings**.

6. Scalable & Future-Proofed Solutions

As technology evolves, AEPA agencies need partners who can **scale and adapt to new connectivity challenges**. Our structure provides:

✓ **Agility in pricing and service structure**, ensuring agencies always get **cost-effective solutions without long-term constraints**.

✓ **Access to the latest connectivity innovations**, including **5G, failover backup solutions, and private wireless networks**.

✓ **Continual optimization** of product and service offerings based on **market changes, agency feedback, and technological advancements.**

Because we are **not locked into rigid, slow-moving corporate processes**, we can **pivot quickly and scale solutions** in response to real-world needs.

Our Commitment to AEPA Agencies

We are not just submitting this bid as another vendor—we are committed to **being a long-term partner to AEPA agencies**, ensuring they receive:

- ✓ **Unmatched adaptability and personalized service.**
- ✓ **Innovative product and connectivity solutions.**
- ✓ **Exclusive pricing and special deals on bundled offerings.**
- ✓ **Seamless procurement processes that simplify mobile connectivity.**

By awarding Connect Distributors & Hoop Wireless this contract, AEPA agencies gain a **partner that is not only reliable and scalable but also deeply committed to providing customized, cost-effective connectivity solutions.**

We appreciate your time and consideration and look forward to the opportunity to **deliver value-driven mobile solutions** to AEPA agencies nationwide. Please feel free to contact us with any questions or to discuss our proposal further.

Sincerely,

Simon Ganz

Training and Knowledge Implementation for the Sales Force

To ensure our sales force is fully equipped with comprehensive knowledge of the contract, we designate a Lead Salesperson as the primary expert for each awarded contract. This dedicated professional is responsible for overseeing all aspects of contract training and implementation within our sales team.

Our structured training process begins with a two-week ramp-up period, during which the Lead Salesperson conducts in-depth training sessions for our sales personnel. These sessions focus on contract terms, compliance requirements, product/service offerings, and customer engagement

Service Plan for AEPA Participating States

If awarded the contract, our company is fully prepared to service up to 30 states (or the designated region in a regional bid) efficiently and effectively. Our centralized corporate office in New Jersey serves as the operational hub for all sales activities, allowing us to maintain streamlined communication and oversight.

We have a dedicated national sales team that can mobilize across all 50 states as needed. Each contract is managed by a Lead Salesperson, responsible for ensuring compliance, sales execution, and customer support within the awarded region. This structure allows us to provide consistent service across multiple states while addressing regional

Our company operates through a direct sales model, ensuring seamless distribution of products and services across nationwide, regional, and local markets. By maintaining full control over the sales process, we eliminate intermediaries, providing efficient service, competitive pricing, and direct engagement with customers.

This approach allows us to tailor our services to the needs of different regions while maintaining consistency in product availability and customer support.

Our primary operations and distribution are centralized in New Jersey, where we manage logistics, sales coordination, and customer service. From this location, we efficiently ship and support customers across the United States as needed.

We do not utilize subcontractors, distributors, or third-party installers. Instead, all operations, sales, and services are handled in-house by our dedicated team, ensuring quality control and direct customer interaction.

As we do not use subcontractors or third-party service providers, all contract-related work is executed directly by our internal team based in New Jersey. This ensures that we maintain full oversight and accountability in fulfilling contractual obligations.

We are a minority-owned business and HUBZone-certified, aligning with government initiatives to support small and MWBE (Minority/Women-Owned Business Enterprises) suppliers. Our company is fully capable of meeting procurement requirements that prioritize diverse suppliers and is committed to contributing to supplier diversity programs.

As a HUBZone-certified, minority-owned business, we understand the importance of supporting underrepresented businesses and communities. Our in-house team operates with a focus on local economic impact, ensuring that our business contributes to diversity in government contracting and procurement.

As a certified minority-owned business, our entire product and service portfolio qualifies under MWBE procurement guidelines. By working with us, agencies can meet supplier diversity goals while benefiting from high-quality, cost-effective solutions.

We have the ability to integrate through natively through API, while alos have a technical team to build out any additional capabilites needed to help integrate accordingly

While our company has not yet integrated with a public agency's ERP system, we have successfully integrated with multiple retailers, demonstrating our ability to adapt to complex system requirements and meet the specific needs of our partners.

Relevant Experience & Adaptability

We have integrated with various retail platforms, each with unique operational and data exchange requirements.

Our team has experience working with custom APIs, EDI (Electronic Data Interchange), and automated data workflows, ensuring seamless order processing and inventory management.

We have a dedicated technical team capable of working with public agency ERP systems such as Oracle, Infor Lawson, and SAP, customizing integrations as needed.

18333674667

Expedited shipping is available upon request

Our system ensures that any backordered items are fulfilled as soon as inventory is restocked. Agencies do not need to place a new order unless they choose to cancel. If an extended delay is expected, we proactively notify the agency with an estimated availability date and offer the option to keep the order on backorder or cancel at their discretion. This approach ensures seamless fulfillment while providing agencies with flexibility and control over their procurement needs.

Our standard policy only allows returns for defective items, ensuring product reliability. However, we recognize that different agencies may have unique requirements, so we are willing to discuss flexible return options as needed. Additionally, since all our contracts operate on a month-to-month basis, agencies are not locked into a long-term commitment and may cancel at any time if their needs change.

Our company integrates demand forecasting into our supply chain process to improve product availability and reduce delays. Here's how we support agencies:

Forecasting Collaboration – We work with agencies to forecast demand and adjust inventory levels based on projected needs, ensuring products are available when required.

Strong Supplier Relationships – Our partnerships with manufacturers and distributors help us secure high-demand items, reducing the risk of stockouts and backorders.

Priority Fulfillment – Orders placed by AEPA agencies are expedited to meet deadlines, ensuring timely access to necessary products.

Flexible Sourcing Options – If a product is out of stock, we immediately provide alternative solutions to prevent delays in fulfilling orders.

Nationwide Direct Shipping – Partnering with reliable logistics providers ensures fast, secure delivery across all AEPA member states.

These integrated strategies, combined with forecasting capabilities, ensure on-time delivery, improved product availability, and efficient ordering processes for AEPA agencies.

Our pricing structure remains fixed for the duration of the initial contract period in accordance with AEPA's terms. While not anticipated, Any price adjustments due to manufacturer cost increases will be documented, reviewed, and approved by AEPA. Additionally, we ensure that pricing remains equal to or better than what we offer to other cooperatives or individual entities with similar purchasing volumes. This commitment guarantees cost stability and competitive pricing for all participating AEPA agencies.

Our company is committed to offering competitive, flexible pricing in accordance with AEPA's terms. We will provide customized price lists based on agency-specific needs, including regional considerations, order volume, and applicable bulk discounts. Additionally, our pricing structure remains transparent and consistent with AEPA's cooperative purchasing model, ensuring that participating agencies receive the best available pricing based on their purchasing requirements.

We recognize the importance of cost savings through volume-based purchasing and are committed to offering tiered discounts for agencies that combine purchasing requirements within a region or across multiple entities. These discounts will be determined based on spend levels and agency-specific needs, ensuring fair and equitable pricing in line with AEPA's cooperative purchasing model. All discounts will be applied uniformly to all AEPA Member Agencies and Participating Entities

Our pricing methodology aligns with AEPA's requirement to ensure cost-effective procurement for participating agencies. We guarantee that the pricing we submit under this contract is equal to or better than what we offer to any other individual entity or cooperative with similar or lower purchase volume. If a better price is offered elsewhere under comparable conditions, we commit to extending the same pricing benefits to AEPA Member Agencies, in full compliance with AEPA's Terms and Conditions

The AEPA Terms and Conditions specify that vendors must incorporate the administrative fee into their pricing structure, ensuring that Member Agencies do not incur additional costs beyond the agreed-upon pricing. We will comply by embedding this fee within our pricing and processing the required quarterly payments to AEPA Member Agencies.

The cost on the invoice is the final cost to the member to ensure easy processing

Uniform Guidance "EDGAR" Certification Form

2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of \$10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, Respondent agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of \$2,000, Respondent shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Respondent is required to pay wages

to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

Respondent further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Respondent agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, Respondent is required to compute the wages of every mechanic and laborer based on a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of the 40 U.S.C. 3704 applies to construction work and provides that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, Respondent agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Respondent certifies that the Respondent is not currently listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the Respondent if Respondent is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under state statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352), Respondents that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

10. Procurement of Recovered Materials

For participating agency purchases utilizing Federal funds, Respondent agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of \$150,000, a participating agency may be required to negotiate profit as a separate element of the price. See 2 CFR 200.323(b). When required by a participating agency, Respondent agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, Respondent agrees that the total price, including profit, charged by the Respondent to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the Respondent's contract with AEPA.

12. General Compliance with Participating Agencies

In addition to the foregoing specific requirements, Respondent agrees, in accepting any purchase order from a participating agency, it shall make a good faith effort to work with a participating agency to provide such information and to satisfy requirements as may apply to a particular purchase or purchases including, but not limited to, applicable record keeping and record retention requirements as noted in the Federal Acquisition Regulation, FAR 4.703(a).

13. Governing Law; Forum Selection.

Respondent acknowledges and agrees that any legal action or proceeding in which the Association of Educational Purchasing Agencies, Inc. ("AEPA"), is a party, that in any way relates to this solicitation, any contract award or the services provided thereunder, any other document executed in connection herewith, or for recognition and enforcement of any judgment in respect hereof brought by Respondent, a participating agency, or other party hereto, or its successors or assigns, will be governed by, construed and interpreted by the laws of the Commonwealth of Kentucky, and must be brought and determined in the state courts of the Commonwealth of Kentucky in Warren County, Kentucky, or the United States Western District of Kentucky (and may not be brought or determined in any other forum or jurisdiction), and each party hereto submits with regard to any action or proceeding for itself and in respect of its property, generally and unconditionally, to the sole and exclusive jurisdiction of the aforesaid courts and waives any further objection.

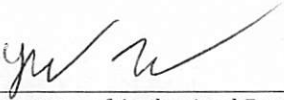

Respondent further acknowledges and agrees that any legal action or proceeding in which a party includes a participating agency, but does not include AEPA as a party, that in any way relates to this solicitation, any contract award or the services provided thereunder, any other document executed in connection herewith, or for recognition and enforcement of any judgment in respect hereof brought by Respondent, a participating agency, or other party hereto, or its successors or assigns, will be governed by, construed and interpreted by the laws of the state in which the participating agency is domiciled, and must be brought and determined in the state in which the participating agency is domiciled (and may not be brought or determined in any other forum or jurisdiction), and each party hereto submits with regard to any action or proceeding for itself and in respect of its property, generally and unconditionally, to the sole and exclusive jurisdiction of the aforesaid courts and waives any further objection.

By **initialing the table (1-13)** and **signing below**, I certify that the information in this form is true, complete and accurate and I am authorized by my business to make this certification and all consents and agreements contained herein.
