The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee applied the Sourcewell RFP evaluation criteria and determined that the products and services offered in the proposal responses from Lacal Equipment and United Rotary Brush Corporation fall outside of the Requested Equipment, Products, or Services of the RFP. All other proposals were found to meet the scope and mandatory submittal requirements and were evaluated.

Aebi Schmidt Group is a global leader in intelligent solutions for infrastructure maintenance. They offer electric street sweepers, vacuum street sweepers, chassis mounted street sweepers, airport sweepers, sidewalk sweepers, chassis mounted sweepers, and alternative fuel sweepers. Providing a turn-key solution, Aebi Schmidt and their vast dealer network are ready to serve Sourcewell participating entities. They offer a solid discount off list price, standard warranties, extended warranties and full-service contracts.

Bucher Municipal North America is a manufacturer of vehicles and equipment for street cleaning and sweeping operations on both public and private roads. They are offering compact, mid-compact and chassis mounted vacuum sweepers. They have independently owned dealers located throughout the United States and Canada. Bucher Municipal offers a solid discount off list price and access to financing options. All sweepers carry a standard two (2) year / 2000-hour warranty with extended warranties available.

Curbtender, Inc. produces refuse collection vehicles such as mechanical sweepers, regenerative air sweepers, and vacuums for litter, debris, and waste. Their network of independent sales and service partners cover the

Sourcewell Page 4 of 6

United States and Canada. Operator and service training are offered for an additional fee, with a two-year warranty provided to Sourcewell participating entities at no extra cost. Their pricing includes solid discounts from MSRP and volume-based discounts. Leasing and financing options are available.

Exprolink Inc., a Canadian manufacturer, specializes in Madvac, Excelway, and Propac product lines for compact outdoor cleaning equipment. They have a dealer network across the US and Canada. Exprolink offers comprehensive training, a 12-month/1,000-hour limited warranty with optional extended warranties. Their pricing reflects a competitive discount from MSRP to Sourcewell participating entities with volume discounts available.

FAYAT Environmental Solutions Americas is a family-owned business that supplies various sweepers. The company offers brands such as Dulevo, Ravo, and Scarab. Its dealer network consists of 35 dealers throughout the United States. FAYAT Environmental Solutions Americas offers two-year warranties and options for extended warranties, along with operator and maintenance training, MSRP discounts and quantity discounts.

The Elgin Sweeper Company, a member of the Federal Signal Corporation, offers pure vacuum sweepers, regenerative air systems, alternative fuel options, and single-engine models. All products carry a warranty. The Elgin sales force works collaboratively with their extensive dealer network across the United States and Canada. Elgin offers competitive equipment pricing as well as rental pricing to Sourcewell participating entities.

Global Environmental Products, Inc., is a manufacturer of purpose-built street sweepers, offering the world's only Diesel-Electric Hybrid "Plug-In" Sweeper, Zero-Emission Fuel Cell Sweeper, EV Intermediate, and Class 6 and Class 7 Fully Electric Sweepers. Along with their dealer network, Global Environmental Group services all of North America. They offer a competitive discount off list pricing to Sourcewell Participating Entities. Global provides a comprehensive and structured warranty program, including optional extended warranties.

ODRA, LLC, a subsidiary of Challenger Manufacturing, Ltd., serves the public works sector with reliable, cost-effective, high-performance mechanical broom sweepers. They are a leader in chassis-mounted non-CDL mechanical sweepers. ODRA offers complete coverage of the United States and Canada with both direct and dealer sales and service. They offer a substantial price discount to Sourcewell participating entities as well as volume discounts. ODRA offers full warranties, extended warranties and multiyear service contracts as part of a full-service solution.

Schwarze Industries, LLC offers a comprehensive sweeper line of Schwarze and NiteHawk models for parking area cleaning, industrial sweeping, FAA-compliant airport runway sweeping, and street sweeping. The Schwarze and NiteHawk dealer sales force concentrates in the field of pavement cleaning equipment across the United States and Canada. Their competitive pricing to Sourcewell members offers model discounts and rental discounts off the National MSRP rental rates. Schwarze offers equipment warranties, comprehensive service contracts and extended warranty options.

Truckcorp, LLC manufactures and upfits heavy dump trucks, municipal snow, ice control trucks, vacuum leaf and debris collectors. They are offering a full range of performance and size sweeper products that are all electric. They will provide sales and service in the United States and Canada directly and through expansive dealer network. Truckcorp offers Sourcewell participating entities substantial discounts from list pricing. Their warranty covers all products and parts manufactured by Truckcorp and all labor performed by Truckcorp. Optional service contracts can be customized.

Sourcewell Page 5 of 6

TYMCO, Inc. manufactures Regenerative Air Sweepers to clean airport runways, streets, and parking lots. All sweeper models are environmentally friendly and provide FOD (Foreign Object Debris) removal efficiency. TYMCO provides sales and service in the United States and Canada with a network of dealers. They offer Sourcewell participating entities a competitive discount off published base pricing and options. The TYMCO sweeper warranty is 12 months / 1000 hours and includes parts and labor.
