Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *	
59	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	JHB Group's pricing model will be a percentage off the commercial list price.	*
60	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	All products will be 2% off CLP. (See Price Pages Attached).	*
61	Describe any quantity or volume discounts or rebate programs that you offer.	Quantity or volume discounts are available upon request. Purchases of five or more of the same type of item will receive an additional 1% discount for a total discount of 3%.	*
62	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	JHB Group will allow for "sourced" goods/products or related services or "open market" items or "nonstandard options" to be itemized and offered on Sourcewell member quotes and orders. A quote will be supplied for each request.	*
63	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	There are no additional costs not identified as freight or shipping charges.	*
64	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	Freight cost (varies by product type) from the manufacturer to the customer delivery address will be itemized on the quote and paid by the customer, unless otherwise agreed. JHB Group will be responsible for contacting the customer to arrange final delivery within the appropriate delivery times determined by the customer.	*
65	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	In situations where delivery is to be made to Alaska, Hawaii, remote parts of Canada or any offshore delivery, the customer will be responsible for additional freight, air freight, sling load, barge, ferry, and any freight forwarding charges to include cargo containers. Additional charges will be reviewed by the customer prior to order placement, and it is customary for JHB Group to work with the customer if there is a desired delivery method specified by the customer.	*
66	Describe any unique distribution and/or delivery methods or options offered in your proposal.	If a unique delivery situation arises, outside the usual methods of delivery, JHB Group will work closely with the customer to provide the most efficient and cost-effective solution.	*

Table 13: Audit and Administrative Fee

Line Item	Question	Response *	
68	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. Provide sufficient detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template.	Sales and Accounting staff will review all Sourcewell contracted items at the time of purchase and quarterly to ensure proper pricing is assessed, all sales are reported, and administrative fees are remitted to Sourcewell. 70	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	The proposed administrative fee to Sourcewell is 1.5% of the total sales to Participating Entities for all contracted equipment, products, or services.	*
